

Local Education Agency Guidance for Virtual or Remote Instruction Plan

The New Jersey Department of Education (Department) is providing the following guidance pursuant to N.J.S.A. 18A:7F-9(c) and N.J.A.C. 6A:32-13.1 and 13.2, to assist LEAs in the development of their annual virtual or remote instruction plans. The Department encourages LEAs to reflect on the previous school year to enhance elements of the prior year's plan to provide the most substantive education, and including, but not limited to, related services, for all students in the event of an LEA closure.

For each of the areas below, the chief school administrator or lead person will either mark "yes," confirming that the information is in the Plan and list the corresponding Plan page number, or mark "no" if the information is not contained in the Plan. The chief school administrator or lead person is expected to provide an explanation to the County Office of Education for all areas marked "no."

By July 31 annually, the chief school administrator or lead person must submit a board-approved LEA Guidance for Virtual or Remote Instruction Plan for the coming school year, along with this form to their County Office of Education. At the time of submission to the county office of education, the plan must be posted on the LEA's website. Plans will be reviewed in each county office of education on a rolling basis with an electronic response communicated within two business days of receipt.
