September 2023

Dear Parent or Guardian,

We are reaching out to announce the revision of the New Jersey Comprehensive Health and Physical Education standards, as required by the NJ Department of Education. We value the importance of partnering with families as we educate students in the knowledge and skills they need in order to lead a healthy, active life.

Parents/Guardians do have the option of excluding their child from any portion of sexuality/family life education instruction if it is in conflict with their moral or religiously held beliefs.

Any child whose parent/guardian wishes to opt their child out of the family life or sex education instruction shall be excused from that portion of the course by completing the info in this link by September 29, 2023:

High School- <https://forms.gle/JBcnnkbdHGLV1Lkt9>

The student will not be penalized as to credit and will be removed from these lessons.

If you have any questions or concerns, please feel free to contact me. The curriculum and link above can be found on our district curriculum web page.

Sincerely,

Dr. Sharon Rementer, Principal
