

Parents/Guardians:

This past summer, the district implemented a new student software management system - Power School. We are please to announce the opening of the Power School Parent Portal for grades 3-12.

This program will allow parents to view Grades, Attendance, Grade History, Attendance History and Teacher Comments in real time. It will also allow parents to sign up for automatic student grade and attendance reports to be emailed to the desired (parental) email address.

Not only will you, as a parent/guardian, be able to access information, but your child is provided with a separate user id and password so that they may also view their information. Please do not share your id and password with your child as students do not have the capability of email.

You may access the program on the Middle Township Website:

<http://www.middletp.k12.nj.us/>

or by typing the following into your browser:

<http://middleps.sjtp.net/public/>

Please note that a parent will have separate usernames and passwords for each child in the district.

If you have any questions regarding grades or assignments, contact your child's teacher. If there is an attendance issue, please contact the the main office. If you have technical issues or concerns email [pshelp@middletp.k12.nj.us](mailto:pshelp@middletp.k12.nj.us).

As with any new program, technical issues may occur and we thank you in advance for your patience and support.
