

Middle Township Public Schools

invites you

to our first Special
Education Parent Advisory
Group (SEPAG) of the 2024-
2025 school year.

When: October 23rd, 2024 @ 5:30 pm

Where: Elementary #1

Details: Special Education Parent Advisory groups serve as models for building the knowledge, skills, and confidence of parents seeking to get involved in their schools and facilitating deeper connections between families and schools. SEPAG is designed to benefit all students with disabilities and is not intended to be a forum to discuss an individual IEP or particular student.

- **For our October 23rd meeting**, the Cape May County Prosecutors Office will be joining us to discuss Internet Safety and Awareness with a specific focus on Special Education students. We are excited to get this event up and running and hope that you can join us for an informational night while connecting with other parents of students with disabilities.
- **Dinner will be served!**
- Please **RSVP** through the QR code or by emailing Dr. Pamela Shute at shutep@middletpw.k12.nj.us.
- If you have any questions or concerns, please reach out to your child's case manager or Dr. Shute for more information.
